SANOON AL IBDAH (SAB)

AIR FREIGHT:-

الشحن الجوي

Our Service, both Import and export has a high reliability level, thanks to the accurate selection of Air Carriers selected amongst those who can guarantee flown as booked service for the small and the big shipments trying to privilege direct flights or daily services. Airfreight needs a quick transportation to the final destination and our company is well aware that this is the reason why the customer has chosen this kind of service, even if the most expensive one. Therefore our goal is to follow the whole transportation process trying to avoid or prevent delays. We are proud to cooperate with the most important domestic and international carriers. With a privileged position.

OCEAN FREIGHT: - (SAB) الشحن البحري

SAB offers a Sea freight service, both for Full containers, as for group ages, selecting those shipping lines, which can provide reliable service together with interesting rates. Customers can enjoy high flexibility in carrier selection, choosing to privilege urgency rather than a cheaper service always under the consulting and assistance of **SAB** staff.

LAND TRANSPORT FREIGHT:- من النقل البري

SAB offers the land freight services, truck, trailers from anywhere to anywhere which can provide reliable service together with interesting rates. We have regular trucks, trailers, Low Bed Trailers up to the weight Carries Maximum 50 to 200 Tons with 18 meter Length of 16 axles available with competitive charges and services.

We constantly try to meet and exceed client's service quality expectations. We care particularly to speed, accuracy and customer service to the whole delivery process. Our philosophy makes us well aware to be not only a simple partner for our customers, but to have a primary role in the production and supply chain of then goods.

SANOON AL IBDAH (SAB)

Responsibility:-

SAB has two main lines of business. Through our Global Integrated Logistics (GIL) business, we work with companies in diverse industries and markets to move, manage, and distribute the goods that underpin global commerce. Through our Infrastructure portfolio of companies, we provide logistics-related services in emerging markets that facilitate trade and create access to new opportunities and At **SAB**, we take our responsibility to act with integrity, and give back, seriously. It's the right thing to do, and it's good for our business. A culture of acting responsibly benefits the communities where we work, contributes toward a cleaner planet, adds to the sense of pride and collective spirit among our employees, and strengthens our relationship with customers and shareholders. That said, like all companies, we know that we have more to learn and more to do. We invite you to join us on that journey, by learning more about the steps we have taken and sharing your feedback and sharing your feedback.
